

# Faculty Scholarship Celebration

2012

Western  
Carolina  
UNIVERSITY

This is the 23rd consecutive year that Hunter Library will showcase faculty scholarly works through an annual exhibition. Every year, more and more people bring their works to the library, allowing us to celebrate their achievement and to share their scholarly contributions with the whole campus.

This year's exhibit showcases faculty achievements during 2011 and demonstrates the depth, strength, and overall excellence of our faculty's contributions to human knowledge and understanding, as well as their keen desire to share these intellectual gifts with others.

It is hoped that the exhibit will continue to awe, to awaken, to inspire, and to keep the light of truth burning in us all.

### A WORD OF THANKS

This event is sponsored by the Graduate School and Office of Research, Hunter Library, The Honors College, the Office of Undergraduate Studies, and the Coulter Faculty Commons.

The event would not be possible without the leadership of the Faculty Scholarship Celebration Week committee—Scott Higgins, Lynda Parlett, Dana Sally, Carol Burton, Brian Railsback, Laura Cruz, and Andrew Adams. We are also grateful to the Hunter Library Display Committee—Susan Metcalf, Alessia Zanin-Yost (Chair), Ruby Banerjee, Peter Johnson, Chase Spencer, Betsy Clementson, Elizabeth Marcus, and Malti Turnbull for all of their hard work. The reception was graciously supported by The Honors College, the Graduate School and Office of Research, and the Hunter Library. News of the celebration was taken to the campus thanks to the Office of Undergraduate Studies. Special thanks to Kristin Smith and the Writing and Learning Commons (Valerie Kastine) for their work in preparing this publication.
